Subject: Correction to Opalite Mine Site Action Memo
Date: Tuesday, March 17, 2020 10:52:00 AM

Hi Folks,

The purpose of this email is to inform you of a correction to the Opalite Mine Time Critical Removal Action Memo, that was sent to you recently. Many thanks to Duane Masters of the Fort McDermitt Paiute and Shoshone Tribe, for bringing the typo to our attention.

This email serves as notification of the correction to the Action Memorandum, and will be added to the Administrative Record for the Opalite Mine Site to document the corrected text. The corrected text is as follows:

Page 7, 1st Paragraph, last sentence should read "sage-grouse lek" instead of "sage-grouse elk."

Page 15, 1st Paragraph, first sentence should read "sage-grouse lek" instead of "sage-grouse elk."

Thank You

*Sincerely,
Mike*
